

3 Daylight White LED (6500K)

Lumen Output	122 lm
LOR	1.0
CRI	70
Total Power	1.3W
Power Factor	0.37
Running Current	0.02 A
Inrush Current	10A (120us)
Efficacy	122 lm/W (in Emergency mode)
Emergency Output (BLF)	122 lm (100%)

CRI 70 1W

Emy 246

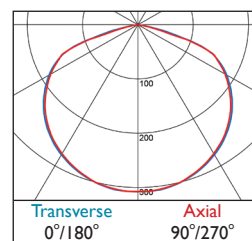

LED

IW LED ID246 LED001 369

Wide beam distribution for general emergency lighting applications

- Stand alone three hour rated Emergency LED
- Efficacies up to 122 lm/W
- Output in excess of 122 lumens in emergency mode
- Daylight colour temperature (6500K)
- Complies with EN1838
- White, Black and Urban Graphite colour variations
- Emergency pack can be installed through Emy cut-out

Photometrics

369 DLOR: 1.00

- E Emergency
- C DALI Emergency
- Z SelfTest Emergency

1 White (RAL 9010) 2 Urban Graphite (RAL 7046) 3 Black (RAL 9005)
